

“GREAT & BRITISH”

DUNLOP RADICAL CHAMPIONSHIP BULLETIN

Championship Bulletin No.: 5

Radical Competitors Information Pack

All competitors will receive a 'Radical Competitors Information Pack' at signing-on at our first event. The pack will include useful information on all competitors, the organisers, championship details, circuits, local hotels, technical information, regulations and more... In the front of the pack you will find your 'Radical Championship Competitors Logbook'. You will be required to complete the details, attach a photograph of your car and present it to the Scrutineer at every event. Our new Eligibility Scrutineer, Phil Mason, intends to be very thorough this year!

Flags

Please note that every competitor must ensure that either he flies a Radical Flag or his team is flying a Radical Flag at every meeting eg teams running four cars should fly 4 flags.

If you do not have flags/poles please contact Ben in Stores.

Fuel

All championships running as part of the Dunlop "Great & British" Festivals will be required to use a 'control' fuel this year. This will be delivered to you at the circuit. Please see attached regulation amendment. All orders should be placed with anders@aaoil.co.uk

Helmets

Please note:- "As from 1st January 2006 the Snell SA95 helmet standard is no longer acceptable. The ONLY helmet standards acceptable for car events are:- BS6658-85 Type A/FR (red label), Snell SA2000 and SA2005, SFI 31.1A and 31.2A, FIA 8860-2004. The older BS6658-85 Type A (blue label) IS still acceptable but only in the UK (NOT including Southern Ireland).

Tickets/Paddock Plan/Timetable

Each competitor will receive 5 entry tickets for each event entered – if you are 2-driver team in the Enduro Championship 5 tickets are allocated per driver.

Radical Enduro competitors have the garages at Snetterton. Teams running both Enduro and Biduro teams will also be accommodated in the garages.

Scrutineering will take place in situ BEFORE any car is allowed on the circuit on Saturday morning.

Timetables for each event are posted onto the BARC website. www.barc.net
